Carmichael Bros. & Davis Opening Modern Cafe

Carmichael Bros. & Davis have demonstrated that Hamlin is a good place in which to expend efforts and a little money in establishing and improving a good business.

They came to Hamlin about four years ago and started the "Lone Star" Cafe. About two months ago their place and one other building, adjoining was destroyed by fire. Since then the buildings, known as the Vaughan buildings, have been rebuilt, and remodeled to conform to a more modern and efficient structure.

Last week one of the buildings was occupied by the Arcade Pool Hall, formerly in the Howard block on South Central Ave.

This week Carmichael Bros. (Art, Stanley and Harry) and Ernest Davis opened the doors and revealed one of the most modern and attractive cafes that has ever been in Hamlin. The chief feature of this New Cafe is the modern equipment. The counter stools are finished in red leather upholstery, with chromium finish, in front of pretty, highly polished counters. All food containers are such that food is cared for in the most sanitary manner. The ceiling is white with cream walls down to the wainscoting of mahogany bordered by a modernistic band of chromium. Four attractive semi-indirect light fixtures lend an air of refinement. The floor has a covering of rubber matting. The guest tables are of mahogany on white porcelain tips, with chairs to harmonize. There are five or six private leather upholstered booths over which runs a flood of cool washed air coming in from the back, through a chute enclosed so that no fumes or smoke from the kitchen can get mixed with the air. The front is kept closed, making the "rebound" of air retrace back through the cafe forcing all the kitchen fumes, odors and smoke out a back opening. This gives cooling comfort to the Chef force as well as the attendants and guests in the front.

The kitchen equipment has been modernized also to provide the latest in food protection. These include a new Vitrolite Steam table, all-steel dish tub, monell glass tub etc. All dishes and glasses are constantly sterilized.

Now with all these pleasing features one may forget his "time" and to forget time creates many embarrassing situations. There is no use in failing to note the time, for right back where all can see, is set an electric neon-bordered clock that registers how the hours are passing. Don't eat too much or stay too long.

This write-up would not be complete without including something of the "power" back of these progressive young men in the "Carmichael" Cafe. We mean, Mr. and Mrs. Roy Carmichael, parents of the boys, whose pleasanties in any and all situations make friends. They merit congratulations also. And

again we might say that the newest married son and his wife, Mr. and Mrs. Stanley Carmichael, who have been occupying apartments with their parents have "gone to house-keeping" in a residence on 9th St. and Jackson Avenue.

Mr. and Mrs. C. C. Prater have had a number of visitors this week to be here at the graduation of their son, Charles; they included Mrs. Hugh Latham and son Tommy, of Brownwood; Mr. and Mrs. C. L. Baker, of Ballinger; Mr. and Mrs. W. H. Stephenson, of Abilene, all sisters of Mrs. Prater and Mrs. J. H. Higgins, of Frederick, Okla., a sister of Mr. Prater, also Mrs. Sam Hardy of Memphis, Texas, and Mr. and Mrs. J. L. Wright, of San Angelo.

Mrs. R. O. Latham who resides north of Hamlin three miles, has been seriously ill the past week or more. The family is truly appreciative of all the many acts of kindness shown during Mrs. Latham's illness. They especially thank Dr. Harp, the nurse, Miss Davis, and the visits of each and everyone, including Ministers Hanks and Rutherford.

After all Hamlin is a mighty fine place, especially the people. This is what J. E. McCoy, who has been living in California for several months, thinks. He says he is just here looking around a bit . . . and that California is OK but you tell 'em that old Hamlin is hard to beat.

Mrs. W. F. Pearce will leave Saturday for Bertram to join her husband who was called there several weeks ago because of the illness of his mother. Mr. and Mrs. Pearce will likely be away for several weeks and the Herald will go to them so that they may keep in touch with Hamlin friends.

S. E. Riddle, whose wife was buried at San Angelo, Monday came to Hamlin, Wednesday to look after his property here. He was accompanied by Miss Viola Cobb of Hearne, a sister of Mrs. Riddle. She had been with Mrs. Riddle during the last five or six months of her illness. Miss Cobb will return to her home this week.

Dr. and Mrs. W. R. Fowler, of Hamilton, were guests this week in the home of their son, Dr. P. A. Fowler and family. They were here to attend the commencement exercises of the Hamlin High School and to see their grandson, Robert L. Fowler receive his diploma.

Don't forget our Manicure Club. Four for \$1.00.

Mr. and Mrs. J. W. Ezell made a trip to Lubbock, Thursday and will return Friday afternoon.

AID FOR KING COTTON

Last year's cotton crop was the biggest ever harvested—18,750,000 bales. By the time the 1938 crop is in the bale a surplus equal to two years' normal consumption will be weighing down the market—unless something extraordinarily effective is done to aid King Cotton.

Cotton is grown widely in only 18 states—but its ups and downs are reflected in the standard of living of all America. Shoes from Massachusetts; oranges from California; automobiles from Michigan; flour from Minnesota—the money derived from cotton by the growers in that great Southern area where it is the principal crop, buys a large part of the total production of these and all other commodities. Thus, the cotton emergency is of importance to all America—her trade, her commerce, her industry. And all America is interested in plans to effectively aid the cotton growers.

Following a series of conferences, a thoroughgoing plan to help move the cotton surplus has been scheduled for the week beginning May 30. Groundwork will be done in the meantime to stimulate the sale of cotton goods and other allied products. Participants in the drive are the nation's chain stores—the variety systems, the food systems, the "five and tens," the drug systems, and the shoe systems. Practically every important chain in the country has pledged its cooperation. One of the groups involved has alone 11,500 outlets, and last year sold almost \$750,000,000 worth of cotton products.

Promotional effort of all kinds will be given to making the drive a success. Advertising, window and inner store displays, recommendations by clerks, handbills—every possible medium will be used to move cotton in great quantities. Nothing will be left undone that might help relieve the present critical situation.

Time will tell just how effective this campaign will be—but it is a very safe prediction, based on the past precedent of chain store promotional campaigns in behalf of other products, that an unprecedented amount of cotton will be sold, and that the cotton growers will be saved losses that might prove ruinous to many.—Industrial News.

Mrs. J. L. Rucker, formerly of Hamlin, died at the home of her daughter in Carrizo Springs on May 13. Many of the older citizens will remember her.

Mr. and Mrs. Sam Hardy, of Memphis, Texas came down Sunday. Mr. Hardy joined Tate May for a trip to Austin, and from there went on to Houston and other points on business. Mrs. Hardy also visited in Abilene and Eastland.

Miss Bertha Alsop, operator of the Jane Shop, attended the Beauty Show in Lubbock this week.

THIS GAME WILL BE HARD FOUGHT

What promises to be one of the most interesting ball games of this season will be played Sunday afternoon at 3:30 o'clock, at the Hamlin Ball Park, when the General Crude Oilers will meet the Lubbock Semi-Pro Ball Club.

This is one of the strongest of West Texas teams and every ball fan should see this hard fought game.

The line-up for Gen. Crude Oilers will be Lefty Courtney, pitcher and Bradford, catcher.

MONUMENT TO BE UNVEILED SUNDAY

Bowen Pope, Editor Hamlin Herald:

Unveiling of the Anson Jones statue will be held here Sunday afternoon, May 29, at 5 p. m. Prominent speakers will appear on the program, a short band concert will precede the ceremonies and a descendant of Dr. Anson Jones will do the unveiling.

We would like to have you present for the ceremonies. The statue belongs to the entire county and we want the entire county represented. May we expect you? Please invite your neighbors to this for us.

Sincerely,

G. D. TRIPLETT, Manager, Anson Chamber of Commerce.

PRESENTED IN RECITAL

Mrs. Heflin Miller and Miss Edwina Gilbert presented a group of their expression, tapping and piano pupils in a colorful recital on Thursday evening, May 26, at the Hamlin High School Auditorium.

The Modern Court of Fine Arts honored King Music, Paul Fowler and Queen Drama, Twila Ruth Smith with a procession to the great white throne. The court musician was Maxine Brundage. The heralds were Helen McCoy and Craigolene Elmore. The "Ladies in Waiting" were: Effie Lois McCoy, Constance Teague, Charlotte Dillingham, Eloise Adkins, Melvina Bullard and Dorothy Fern Routh.

The King's proclamation was given by Jimmy Clements. The Royal Dancers presented Betty Lou York, La Nelle Andress, Joan Culbertson and Verna Mae Colwell in the "Waltz of Spring." Jeannine Johnston played "Soldiers March" followed by Dora Joyce Culbertson playing "Convent Bells." Ruby Herr read "L'Envoi."

The court jester, James Elwood Rogers played, "When the Circus Comes to Town." A personality tap was given by Billie Faye Rountree. Mary Nell Hanks played "The Swan on the Moonlit Lake." "The Legend of Service," a reading, was given by Koleta Adkins. La Nelle Carlton played "The Skylark." The Royal Dancers were presented in a Rhythm Tap. From the land of the gypsy came Selma Hassen to play the "The Strolling Harp Players." The peasant girl, Mary Jane Jones, played "Hungary." The coquetting maidens, Ruby Herr and Koleta Adkins danced.

Jimmie Clements read the "Perfect Gift." The court was presented again with the ladies of the court singing, "When I am Seventeen." A piano duet, "March of the Candy Dolls" was played by Joan Culbertson and Billie Faye Rountree. Verna Mae Colwell read, "Supposing." Betty Lou York read, "Old Fashioned Days," and from the land of Spain, came Harold Fletcher to play "Le Torreador."

La Nelle Andress read, "When Melindy Sings" and was joined by the entire cast singing, "Carry Me Back to Ole Virginny." Ruby Herr closed the spring festival with words of adieu.

Get your Permanent and be ready for your vacation.

Mrs. J. Henry Littleton is visiting relatives in Gilmer this week.

CHAMBER OF COMMERCE NEWS

FREE BARBECUE WELL ATTENDED:—As was announced in last weeks news, through the combined efforts of the Rotary, Lions and the Chamber of Commerce, a Free Barbecue was given, last Thursday evening the 19th, at the bridge north of town and citizens of Aspermont, ranchmen and oil men were invited from the area north of Highway 92, more than 300 plates were served and everyone expressed themselves as well pleased. This was purely a Goodwill affair, and another such program is contemplated for some future date for the community south of Hamlin.

COMMUNITY BASEBALL:—As per last weeks Herald, the managers of the four teams who make up member teams, announced their playing schedule for the remainder of the season. Interest is growing and attendance is increasing. Remember, there is no admission charge, and all are urged to come out and support your team. Note the schedule, and after this week, note the official score results.

GRASSHOPPER POISON:—Many farmers are now using the poison that is put in bran for poisoning grasshoppers, around Hamlin trade area. The first shipment of bran was

exhausted this week and an additional six thousand pounds of bran was brought over from Anson. This is stored at the Home Lumber Co. All who need the bran will please call at this firm for their supply.

UNVEILING OF ANSON JONES MONUMENT:—Invitations have

been received from the Anson Chamber of Commerce to attend the unveiling of the Anson Jones monument at Anson, Texas, Sunday evening, May 29th, 1938 at 5 p. m. This is an event that concerns the entire County and it is hoped that many from here will attend.

HAMLIN MAN HONORED:—Some two weeks ago, Governor James V. Allred sent out invitations to about 100 representative men from all sections of Texas, to meet in Austin, Monday, May 23, to form an organization or State Park Board Committee to solicit funds and buy the site in the Big Bend section of Texas, which is to become, later a National Park, equal to the famous Yellowstone National Park. Mr. Tate May received a written invitation to attend this meeting and he with some 100 more representatives from over the State met and elected a Park Board Committee to further this important cause along.

JUNIOR CLASS TAKING RED CAPS WIN IN SAN ANTONIO AND OVER THE OWLS AUSTIN, THIS WEEK

The Junior Class of the Hamlin High School are sight-seeing with delight and freedom this week, following their years work and promotion at the end of the school.

At four o'clock, Wednesday morning, two school bus loads left for the trip. Fifty-one of the class with their sponsor, Miss Doris Pope and Chaperones, Supt. C. G. Green and Mrs. Bill Calhoun, Mr. R. G. Riddle and the drivers, J. A. Branscum and A. B. Maynard, made up the personnel.

Their schedule took in San Antonio, Wednesday afternoon and night and Thursday till time to arrive in Austin. Austin late Thursday and Thursday night and most of Friday. Then the return trip by way of Georgetown and Lampassas, to arrive home sometime Friday night. This is a good historical trip and the class should be all the better Seniors because of it, in the studies in 1939.

ATTENDED GOVERNORS MEETING TO PROMOTE BIG BEN PARK

Tate May represented this part of the state in a meeting called by the governor in Austin, Monday of this week. He was accompanied by J. B. Eakin who went to look after business for the city. They were accompanied by Sam Hardy while on his way to Houston.

Mr. May is very enthusiastic about the park. The State is trying to raise \$1,000,000.00 with which to purchase the lands, so the federal government will take the great mountainous territory over. It promises to be the greatest play ground of the southwest, suitable for either winter or summer.

OVER THE OWLS

The McCauley RED CAPS went on a hitting spree, Saturday afternoon, to defeat the Wise Chapel Owls, by a score of seven to four. A large crowd witnessed the game at the Hamlin Park.

Pitching for McCauley, Maberry, catcher, Miers. For Wise Chapel, Emerson and Hodges, catcher, McCoy.

The Royston club, defeated McCauley Sunday at Royston by a score of nine to four. Pitching for McCauley, Darden, catching, Wisbert. For Royston, Kennedy and Coppedge.

Next Saturday at the Hamlin Park, the opening game of the league, McCauley vs. Wise Chapel. No doubt this game will be a thrill from start to finish. Everybody come, gate FREE.

MT. ZION CHURCH

Mt. Zion Nazarene church will dismiss both the Sunday school and the preaching services and attend the fifth Sunday rally at County-Line. We are expected to take a well filled basket and spend the day.

Rev. Herschel Murphy, our district N. Y. P. S. president, will preach at Mt. Zion church, 8:30 p. m., May 29. Come, bring a friend and hear this brother sing and preach.

J. C. ALLEN, Pastor.

SPEECH RECITAL

Mrs. Heflin Miller will present a group of her pupils in Recital, Monday evening, May 30th, at 8:15, at the High School Auditorium.

The public is invited.

LITTLE THINGS

It is the "little thing" that counts up in every community. Any public concern, official or private citizen who thinks "little things" don't count is off their "kerzipp." It is the pennies that make the dollar. Every penny spent out of town when it might have been left at home to keep doing good, hurts the town—it hurts you Mr. or Mrs. and don't forget that. Some people buy from the "salesman-peddler" or send off to the out-of-town factory for articles that cost this community money—the faster we send away for what we need when it could be purchased at home—the faster "your home town" will get into the "brick class"—It takes a lot of pulling together to keep going.

A. & M. GRADUATES HAMLIN BOY

COLLEGE STATION, Texas, May 23.—Candidates for degrees at Texas A. & M. College, to be conferred Friday night, June 3, total 581, making up the largest graduating class in the history of the college. Of these, T. E. Harden Jr., of Hamlin, is a candidate for the degree of bachelor of architecture.

A total of 34 students are candidates for advanced degrees, 32 as master of science and two for professional degrees as electrical engineer.

Candidates for baccalaureate degrees include 467 for Bachelor of Science; 35 Bachelor of Arts; four Bachelor of Architecture; and 35 Doctor of Veterinary Medicine. Six students are candidates for certificates in the two-year course in cotton marketing and classing.

The candidates come from 260 Texas cities and towns, ten cities in six other states and three cities in Mexico.—College News.

The John T. Day family was called to Rotan, Tuesday to attend the funeral of June Day, a nephew of Mr. Day. June had been in poor health for some time.

B. E. SPARKS DIED FRIDAY AFTERNOON

Death claimed B. E. Sparks, one of the county's oldest citizens, last Friday, May 20, at the Stamford Sanitarium.

Mr. Sparks had been ill with pneumonia but a few days when death came. He had been in fair health for one of his age, till about four months ago. He was carried to the sanitarium with pneumonia Monday before his death.

B. E. Sparks was born in Bosqueville near Waco, on April 25, 1858, and was 80 years and 25 days of age. He and his family came to Stamford in 1903 and his companion passed away in that city several years ago. After her death he lived most of the time with his sons in Hamlin. He is survived by five sons, L. S. and Perry H. Sparks of Hamlin; Rupert T. Sparks of Parks, Texas, and J. A. Sparks of Port Sulphur, La. There are nine grandchildren. In his early years in Stamford he was very active in the development of that little city and all West Texas. He was one of the charter members of the West Texas Chamber of Commerce. Mr. Sparks was the man who brought Homer D. Wade to West Texas, to be the first manager of the regional chamber of commerce. In business matters the name "B. E. Sparks" was a kind of a trade mark. Not only in Hamlin but in many sections of Texas his death will be learned of with sorrow.

"Dad" Sparks, as most of his many friends in Hamlin spoke of him, came to Hamlin in 1921. He was a man with whom one generally enjoyed a conversation. He was conservative and his council was sound. He was a member of the Presbyterian church and had belonged to the order of K. of P. He held the office of District Clerk of McClellan county for two terms, and was, till a few years ago, very active in politics and governmental affairs. In later years nothing pleased him more than to go with a friend to a good fishing bank and

while away the hours.

As death was approaching all of his children arrived and remained till after final rites. Funeral services were held at the Central Presbyterian Church in Stamford on Saturday afternoon. The pastor, Rev. Wm. F. Rogers, and Rev. J. Henry Littleton, of Hamlin, in charge.

The body was placed to rest in the Stamford Highland Cemetery by the side of his wife.

COTTON BOUNTY, TWO CENTS COMING

Early payment of the 1937 cotton bounty of two cents per pound has been approved by the Senate in adopting the amendment of Senator Tom Connally of Texas to the agricultural appropriation bill. When the bill is finally enacted into law the department will start immediate preparations to make payment upon proper proof of compliance, Senator Connally has been advised.

The benefit payments to cotton farmers are made possible by the Connally-Jones amendment to the agricultural adjustment act of 1935. This amendment, which was sponsored in the Senate by Senator Connally, provided that a percentage of the revenue from customs duties should be used by the Secretary of Agriculture to pay bounties to farmers and otherwise aid in the increase of agricultural exports.

Last August Senator Connally offered a resolution in the Senate making provision for benefit payments to cotton farmers on their 1937 crop under the terms of the Connally-Jones plan. It was finally put into effect but provided that payments should go only to farmers who cooperated in the 1938 program. The Comptroller General ruled that such payments could not be made until the end of the 1938 crop year and officials of the Department of Agriculture said it would be December before farmers would get their checks. Senator Connally then introduced his amendment providing that the payments should be made just as soon as a farmer shows he is complying with the 1938 program. Approximately \$130,000,000 will go to cotton farmers as benefit payments under the provisions of this amendment.

Mrs. A. E. Pardue reports that her daughter, formerly Velta Pardue, now Mrs. Holly Toler, is to get her Master's degree from the State University next Monday. Mr. and Mrs. Toler live in Austin.

GEORGE H. BENDER, DIED SUDDENLY, NEAR RANGER

Early Monday morning the people were shocked by the information that Geo. H. Bender had died suddenly at the home of his sister, near Ranger, where he and Mrs. Bender had gone on a visit. He passed away at 12:25 a. m., Monday, May 23.

Mr. Bender was born in Mexia, September 21, 1883. He was 54 years, 8 months and 2 days of age. He was married to Miss Willie Noel, November 22, 1903, and to this union there were two children, one of whom died in infancy, the surviving one, Newman Bender of San Bernardino, California. Besides the companion and one son, he is survived by one sister and one brother, Leo Bender of Big Spring, and Mrs. Hagar of Ranger, and all were present for the funeral.

Mr. Bender had been a citizen of Hamlin for many years, being one of the prominent conductors on the old Orient railroad and of recent years on the Santa Fe, with assignment on the south end of the road. About two years ago his health became impaired and for a long time he was unable to resume his work. He finally retired from the service, because of his health and apparently with rest he was regaining his strength.

Funeral services were deferred till Wednesday morning to give time for the son and others to arrive. The final rites were held at the Methodist Church at 10:00 a. m., Wednesday, conducted by the pastor Rev. H. W. Hanks and Rev. Rutherford of the Church of the Nazarene. It was a very beautiful service, in the presence of a large number of neighbors and out-of-town friends. Floral offerings were bountiful from loved ones and friends in keeping with the love and esteem held for the deceased.

Mr. Bender was one of the outstanding Masonic members of the Hamlin Lodge. He was a citizen of the highest type, and one of his characteristics was his pleasant smile. To say that he was a faithful husband, a devoted father and a good citizen sums up the universal expression of everyone who knew Mr. Bender. Fellow Masons concluded the final services at the East Cemetery.

The Barrow Co. had charge of interment.

MRS. B. O. TOWNSEND DIED IN SANITARIUM SATURDAY

Mrs. B. O. Townsend, who resided near Dovie, passed away at the Stamford Sanitarium Saturday afternoon, May 21, age 58 years, 2 months and 28 days.

Mrs. Townsend had been a citizen of Jones County since the first year of her birth. She was born February 23, 1880. They spent 36 years in the Funston community.

Mrs. Townsend was carried to the sanitarium on Friday preceding her death. She is survived by her husband and the following children: Mrs. John Roberts of Amarillo, Mrs. A. A. Truett and Guyce Townsend of Hobbs, New Mex., Mrs. Bill Hamrick of Abilene, Jess Townsend of Anson and Oliver Townsend of California. One brother and one sister survive.

Funeral services were held at the Funston Methodist Church Tuesday morning.

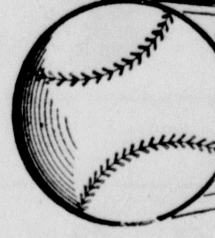

DEATH CAME TO

OSCAR STELZIG, MAY 18

The Herald has a letter from Mrs. Oscar Stelzig telling of the death of her husband, at the home of his sister, Mrs. F. C. Stanzel, in Schulenburg, Texas, Wednesday, May 18. Mr. Stelzig formerly resided in Hamlin, being one of this city's pioneer families. For many years Mr. Stelzig operated a blacksmith shop in Hamlin and later moved to a farm just north of the plaster mills, west of Hamlin. Several years ago, the Stelzig family moved to their farm near Tivoli, Texas.

Because of the long years that Mr. Stelzig resided in Hamlin, the Herald is giving herewith a sketch of his life.

Oscar F. Stelzig was born in Fayetteville, Texas, Nov. 9, 1876. He passed away at 1:05 A. M. May 18, 1938, age 61 years, 6 months and 9 days. He had suffered eight months and had taken treatment from specialists in San Antonio and Corpus Christi, and was carried to the home

of his sister, Mrs. Stanzel in Schulenburg shortly before his death.

Mrs. Stelzig writes: "We laid him away at Schulenburg, Bro. Paul Stevens, a minister of the Church of Christ, spoke comforting words of a Christian husband, father and brother."

The survivors are the companion and the following children: Lawrence, Cline and Jewel and Mrs. Davis Huffman. There were 10 grandchildren, three brothers, Frank Stelzig of Bay City, and Joe and Walter Stelzig of Kingsville, one sister, Mrs. Stanzel of Schulenburg. Mr. Stelzig became a member of the Church of Christ, June 12, 1912, during a meeting held in Hamlin by Minister W. A. Bently. A host of friends and relatives gave many lovely flowers as tokens of their love for this christian life.

MRS. S. E. RIDDLE DIED

AT HER HOME IN SAN ANGELO

Mrs. W. E. Benson returned Tuesday from San Angelo where she had been called Saturday because of the serious illness of her friend Mrs. S. E. Riddle who died Sunday. Mr. and Mrs. Riddle were former citizens of Hamlin, having made their home here for a number of years. She was a sister-in-law of A. G. Arnett of this city.

Mr. Arnett attended the funeral of Mrs. Riddle on Monday.

CARD OF APPRECIATION

The Sparks boys, Albert, Erin, Rupert, Leslie, Perry, and their families deeply appreciate the courtesies shown during the illness and last rites of their father, B. E. Sparks.

Mrs. J. C. Ellis of Dallas, Mrs. Jeff Smith of De Leon and Mrs. W. T. Patterson of Abilene, all sisters of Mrs. John T. Day were here this week visiting. Another guest was Mrs. W. C. Gorman of Dallas a sister of Mr. Day.

Mrs. D. Freedman and sons, Edward and Milton left Thursday for Washington City to visit her sons, Sylvan and Gilbert, and other relatives. Edward just graduated from high school and will in all probability find a good job in Washington and remain.

Mrs. Lem Miller and son George Miller and wife and baby; Conductor George Davenport, Mr. and Mrs. Oscar Irvin, all of San Angelo, were here Wednesday to attend the Geo. H. Bender funeral.

WISE CHAPEL 4-H CLUB

The Wise Chapel Club had a call meeting May 2, 1938, for the purpose of making out reports and working out plans for a fishing trip for all members of both the boys' and girls' clubs. The fishing trip is planned for May 13, and is promoted by the local leaders and some of the parents.

Jess Treadwell Jr., who has just completed a demonstration on swine, is now preparing his land for a crop demonstration. The total cost of preparing five acres of land, was \$1.56.

Weldon Wainscott's lamb has gained from 37 to 52 pounds in 30 days. The lamb is 3½ months old and has gained approximately one-half pound per day, since the record was first started. He is feeding a mixture of ground sorghum, maize and cotton seed and he has a good pasture of wild rye.

Jack Ellison sold his pig for \$14. The pig weighed 190 pounds. The cost of the pig was \$6.15 and he fed \$3.65 worth of grain, which made a profit of \$4.20. The pig made a gain of approximately one pound per day, during the time the record was kept.

Alvin Huber reports that his pig made a gain of 34 pounds for the month of April. The pig now weighs 91 pounds. He fed 41 pounds of maize in addition of 36 pounds of slop. Alvin pulled green grass for his pig.

Jack Vaughan's pig gained 38 pounds for the month of April. He fed 60 pounds of grain, which cost 40 cents and 3 quarts of commercial feed, which cost 50 cents, and milk. His pig now weighs 75 pounds.

Billy Huber purchased 50 baby chicks on April 12th, at a cost of \$2.00. He has fed 25 pounds of growing mash, plus 30 pounds of

\$1.14 A MONTH
on Fuel and Electric Bills
Over a Three-Month Period"**

..Proof that Electric Cookery Costs Less

Interview with Mrs. McFall:

- Q. First of all, Mrs. McFall, are you pleased with your electric range?
- A. Indeed, I am!
- Q. Would you recommend it to other women as the coolest, fastest, cleanest and most economical method of cookery you've ever used?
- A. Yes. During the 14 years I've been keeping house I've used most of the other types. After making this test, I know that electric cookery is cheaper as well as cooler, faster and cleaner.
- Q. With five in your family, how many kilowatt-hours did the meter show your range used on a monthly average during the test period?
- A. 109 kilowatt-hours per month.
- Q. You get a special low electric cookery rate on this current, don't you?
- A. Yes. All over 50 kilowatt-hours cost only 2½¢ each. Since this same low rate applied to lights and refrigeration, too, we actually reduced our average previous fuel and electric bills by \$1.14 a month.
- Q. You mean, then, that by using electric cookery, with its lower rate, and by reducing your consumption of other fuel, you had a cooler, cleaner kitchen by far and it actually cost less money?
- A. Believe it or not, that is true!
- Q. Were there any other savings you noted?
- A. Well, during the test period my records showed an average-per-month saving of \$3.83 in groceries and incidentals connected with cooking. I give the electric range credit for that, too.
- Q. Then your savings totaled \$4.97 per month—practically enough to make the monthly payments on an electric range?
- A. Yes. But I am prouder of the fact that cooking has been made easier for me and that my kitchen is so cool and clean!

**FIRESTONE Gives You
This High Quality Tire
at This New Low Price**

Because Firestone saves money by controlling and securing rubber and cotton at the sources and by efficient manufacturing and distributing. These savings make possible extra values at lower prices. You get:

High Quality—First choice rubber and selected cotton that conform to Firestone's high standards and rigid specifications.

Long Mileage—Safe, silent tread design made of tough, slow wearing rubber that assures long mileage. Sturdy bars and rugged notches give protection against skidding.

Blowout Protection—Nine extra pounds of rubber are added to every 100 pounds of cord by the Firestone patented Gum-Dipping process. Every fiber of every cord in every ply is saturated with liquid rubber which counteracts internal friction and heat that ordinarily cause blowouts.

Puncture Protection—Firestone's patented construction of two extra layers of Gum-Dipped cords under the tread protects against punctures.

New Low Prices—Never before have all these safety and economy features been combined in a tire priced so low.

Don't take chances on your holiday trip. Come in today. Let us put a set of these large size, rugged, long wearing tires on your car—remember, you save 25%.

THE FIRESTONE VOICE OF THE FARM—Twice weekly during the noon hour. Consult your local paper.

New Skyline Trail Is Thriller

HORSES have no sense of height. And that is just as well, for the new skyline trail which has been laid out in Jasper National Park, in the heart of the Canadian Rockies, lies for three miles on the top-most edge of a ridge more than 8500 feet high. It is a mile down to the valley floor from the top of the ridge and the shale slopes shoot downward from both sides of the trail at an angle of 45 degrees. On a clear day it is possible to see more than 100 miles from this spectacular trail, even down into the Columbia Icefield region, the largest glacial area south of the Arctic in North America. The illustration shows two views of the new trail.

PLANT FLOWERS

At a recent meeting of the Jones County Federation of Women's clubs it was decided to ask everyone in the county to plant zinnias.

Zinnias are hardy and easy to grow. There isn't a home in the county that can't have a pretty bed of zinnias this summer. You still have time to plant them and they will bloom late in the summer.

The civic committee of the Woman's Literary Club of Hamlin would like to report many beautiful zinnia beds in Hamlin. Will you please co-operate and help make Hamlin and Jones County more beautiful?

Showing a safe impartiality, Bandleader Art Jarrett chose three blondes and three brunettes from the sixteen Texas State College for Women beauties who paraded before him on the stage of the Pan-American Casino last fall.

The chosen six are Misses Alice Bryan, Shanghai, China; Lucy Nelle, Dallas; Jeanne Hansen, Plainview; Joan Ladd, Sherman; Ruth Martin, Denton; and Leta Ruth Edison, Stanton.

Four nominees from each class were introduced at the Revue, from which Jarrett selected one of each classification and two at large. His decision has been kept secret all winter in order to enhance the traditional presentation of beauties at the Spring Senior Formal. Each of the girls has a page picture in the Daedalian yearbook, which was released the day of the senior prom.

BRIDES ELECT HONORED

WITH GIFT TEA

Miss Kathryn Adkins, bride-elect of Delma Shelburne and Miss Pat Allbritton, bride-elect of Arlie Cassle, were honored with a gift tea given Saturday afternoon in the home of Mrs. W. A. Albritton on Central Avenue, with Mrs. Albritton, Mrs. J. W. Ezell and Mrs. Tate May joint hostesses.

Decorations throughout the reception suite emphasized a color note of pink and white. The tea table covered with a cloth of Italian cutwork and venetian lace, held a central arrangement of pink roses and Queen Anne's lace in a large crystal bowl flanked by pink tapers which burned in crystal holders. Pink and white flowers arranged in a crystal bowl decorated the buffet.

Guests who called during the afternoon were greeted by Mrs. Ira Clements who presented each to a receiving line including the hostesses, Mrs. Albritton, Ezell and May; the honorees, Misses Adkins and Allbritton; Mrs. T. E. Shelburne and Mrs. H. O. Cassle. Miss Geneva Albritton directed to the tea table where Mrs. A. E. Pardue and Mrs. W. F. Johnson presided at the handsome silver services. They were assisted by Mrs. B. M. Brundage, Mrs. Henry Albritton, Miss Margaret Row and Miss Doris Pope. Mrs. Alpha Shands and Miss Pauline Harrell were at the register.

Other members of the house party were Mes. Garland Tumlin, C. G. Green, W. L. Boyd, C. C. Prater and Miss Hermona Shadle.

Beautiful collections of gifts for

each honoree were attractively displayed on tables.

The afternoon's program consisted of a piano selection by Miss Edwina Gilbert, a violin number by Mrs. Gerald Morgan, a vocal solo by Mrs. Sam Hardy, of Memphis, and a reading by Miss Zelma Wilson.

HONORED WITH

BUFFET SUPPER

Misses Kathryn Adkins and Pat Allbritton, brides to be, were complimented with a buffet supper and lingerie shower Friday evening. For the occasion Misses Geneva Albritton, Hermona Shadle and Zelma Wilson were hostesses entertaining in the W. A. Albritton home on Central Avenue.

Lovely spring flowers decorated the rooms where the supper was served and where afterwards several of the guests remained for games of bridge. During the evening little Miss Bobbie Wilson, dressed as a messenger, appeared at the door announcing that she had gifts for Miss Adkins and Miss Allbritton, and presented each honoree with a tray filled with attractively wrapped packages.

Those present were Mrs. T. E. Shelburne, Mrs. H. O. Cassle, Mrs. Ira Clements and Mrs. Gerald Morgan; Misses Nadine Morgan, Doris Pope and Ruby Thompson.

MR. AND MRS. MCBRIDE

ENTERTAINED CLUB

Mr. and Mrs. H. L. McBride entertained the Hoot Owl Club in their home on Farwell Avenue Thurs-

day evening, with three tables of bridge. High score for the club was made by Mr. and Mrs. McBride, and for the guests by Mr. and Mrs. R. E. Johnson. Ice cream and cake were served at the refreshment hour.

Those present were Mr. and Mrs. Clinton Barrow, Mr. and Mrs. Bill Rountree, Mr. and Mrs. T. A. Thigpen, Mr. and Mrs. R. E. Johnson and Mr. and Mrs. J. P. Morgan.

MRS. YOCHAM CLUB HOSTESS

The Kongenial Card club met in the home of Mrs. L. P. Yocham, Tuesday afternoon.

At the conclusion of the games, the hostess served dainty refreshment consisting of congealed vegetable salad, iced tea and devils food cake to the following members and guests: Mes. J. M. Bullard, M. T. Hudson, Roy Hayes, Frank Johnson, Frank Lawlis, Fred Carpenter, Ray Willingham, O. G. Harvey, Ray Jones, Bob Barrow, Dick Moore and Clinton Barrow.

Mrs. Bob Barrow won high score for the club and Mrs. Clinton Barrow for guests.

Fresh Vegetables TASTE BETTER
...LOOK BETTER WHEN COOKED WITH GAS

FOR rounding out a healthful, well-balanced meal there is nothing like the first tender vegetables of early summer. How you cook them is all-important if their healthful vitamins and minerals, their natural flavor and color are to be retained. A 1938 gas range excels in boiling vegetables as they should be—with controlled heat, little water and in covered utensil.

Time, gas and food values are saved with the improved gas simmer burners. They provide the most flexible and accurately controlled cooking heat yet devised in a cooking appliance. At the click of a valve they give you the exact shading of heat required for any cooking job. Because of this exact temperature control, kitchen heat and humidity are held to minimum. See these new gas ranges and learn all about their many improvements that make cooking surer, cooler and easier.

Only the improved gas simmer burners on 1938 gas ranges give an accurately controlled boiling heat at the "click" of a valve. They save gas... keep kitchen cooler.

THE SMART DRIVER

"It's smart to drive safely" is the fact impressed by the Connecticut Highway Safety Commission, whose activities have given that state a steady decline in traffic fatalities for several years. In this connection, President Hoffman of the Studebaker Corporation said recently: "The problem can only be solved successfully by creating the right mental attitude toward safe driving. There must be a social taboo on drinking and driving. There must be a social taboo on young girls going out driving with young men who have even one drink." —Scurry County Times.

McCAULEY MATTERS

By JOHN P. HARDESTY

Roland Stephenson, who has been in Civil Service at Washington, D. C. for the past several months, and Virgil Stephenson who has been in the employ of the Civil Service at Baltimore, Md., for the past eighteen months are visiting their mother Mrs. W. H. Stephenson and their sister, Mrs. Virgil Steele and family, for a few days. Mrs. Virgil Stephenson is visiting with her relatives at Stanton. We understand that Roland has accepted a position in the public schools of Tucumcari, New Mexico, and will retire from the Civil Service. Prof. Aubrey Stephenson and family of Abilene have also been visiting with his people here.

Dean Bogar of McMurry College delivered the sermon for the local high school graduates at the Baptist Church last Sunday evening. The final exercises for the class were held Wednesday evening at the school auditorium.

Mr. and Mrs. Roy Hennington and children were guests of Mr. and Mrs. H. H. Hutto and children at Lucders last Friday night. The two families made a week-end visit with relatives and friends near Post, Saturday, returning Sunday evening.

Rev. C. A. (Charley) Jones was a welcome guest in the home of the writer last Monday for the noon lunch. Bro. Jones is a candidate for Representative of this District to succeed Howard Davidson. His home is at Rotan. Our church had the privilege and pleasure of having Bro. Jones worship with us the Fourth Sunday in February and bring the sermon at the morning hour. Personally, we should very much like to see him selected for this responsible place as a member of the Texas Legislature. He would be a worthy successor of our own Howard Davidson, who is retiring to make the race for District Attorney.

The B. A. U. and Junior B. Y. P. U. Rally was poorly attended at Hitson last Friday night, due to so many schools closing. McCauley and Hitson were the only churches represented. McCauley secured both efficiency banners, largely by default on the part of the other churches.

Edwin and Jack Johnson, accompanied by their wives and Lucius and Hallie Fay Faulkenberry, attended the B. T. S. Quarterly Convention at Cross Roads last Sunday afternoon. Edwin is Associational Director for the Baptist Training.

The Fishermen Bible class of the Baptist Sunday School, entertained the Kingdom Builders Class in the home of Mr. and Mrs. D. L. Smith, Thursday evening. Mrs. W. H. Stephenson is teacher of the Fishermen and Mrs. Jno. P. Hardesty is the teacher of the Kingdom Builders.

Grandmother Dan Maberry is convalescing from a severe sickness which kept her confined to her bed for several days.

Bro. C. A. Jones, Rotan and Orville K. Reynolds of Anson, are recent donors to our parsonage building fund. Several volunteer workers came Monday and put an-

other coat of paint on the building. We are getting ready for the dedication on June 20th. We hope all our friends will plan to be with us on that occasion. This is an open invitation to all. A good program and a good feed is in store for you. Mr. and Mrs. A. D. Dodson and son Billy of Longworth, visited the Lee Hendons last Friday. Mrs. Dodson is Mrs. Hendon's sister.

LOCAL NEWS FROM FAR AND NEAR

(By TRESSIE BROWN)

Again we are rejoicing over a very fine rain.

Miss Grace Johnson spent the week end with Tressie Brown.

Mr. and Mrs. Clark and children, Bobbie and Reida, Misses Lou and Eunice Brown, all of Rotan, visited home folks Sunday afternoon.

Mr. and Mrs. Jim Brown and little daughter, Betty Joan, spent the week end with T. S. Brown and family.

Miss Geraldine Green, Swedonia, is convalescing from a tonsil operation some days ago.

The Colorado 5th Sunday meeting will be held at Neinda this next week end. We hope for a large attendance and a successful meeting.

RAILROADS BOOST TEXAS BUSINESS

Texas benefited substantially from the expenditures of the railroads in 1937 for materials, supplies, fuel, new equipment and payrolls, it is revealed in a special study which has just been completed by the Bureau of Railway Economics of the association of American Railroads.

Railway purchases in Texas last year totaled \$23,074,728, the report shows. Of this sum, \$23,070,759 was spent for materials, supplies and fuel, while \$2,969 went for new equipment (not including that built in company shops). These purchases were made in 603 towns and cities located in 190 of the 254 counties of the state.

Wages paid to railway employees in Texas during 1937 amounted to \$79,286,059.

The review discloses that, for the nation as a whole, the railroads last year paid \$1,133,361,468 for the more than 70,000 different items which they use. Materials, supplies and fuel cost \$966,383,000 and expenditures for all new equipment (except that constructed in railway shops) totaled \$166,978,468. More than 12,000 towns and cities located in 2,638 of the 3,072 counties of the United States derived direct benefits from this large volume of railroad buying.

In 1937, the county's rail carriers also distributed \$1,983,990,485 in wages to their employees, the report says.—American Railroads.

Mrs. Jennie C. Green, of Slaton, is here for a visit with her son, John F. and family.

COWBOY REUNION PUBLICITY STARTS

Committee chairmen for the Ninth Annual Texas Cowboy Reunion, which meets in Stamford July 4, 5 and 6, have been named by President W. G. Swenson. Most of the officials are the same men who have served for a number of years, some of them since the organization was launched in 1930.

The reunion and rodeo is staged by volunteer service, no official receiving any pay for his service. Stockholders receive no dividends, the income above operating expenses being used for permanent improvements on the reunion grounds.

Replacement of the old No. 1 grandstand with a larger and more comfortable structure which increases the seating capacity at the rodeo arena by 2,000 is the largest item on the \$7,000 improvement program now under way at the Texas Cowboy Reunion grounds just outside the Stamford city limits. The enlargement will give a total grandstand capacity of 10,000 besides the 3,000 bleacher seats.

The new grandstand, as well as the other improvements, will be completed in advance of the opening of the ninth annual reunion, which will be held on July 4, 5 and 6. The floor of the rodeo arena is being regraded to give a better take-off for roping contestants as they dash into the arena.

The bucking chutes, pens, judges' stand and directing official's platform also are being rebuilt. A new two-story rodeo office is replacing the smaller structure used for that purpose. As during the past two years, the rodeo arena will be practically dust-proof, the ground being treated with a special preparation for that purpose.

Five registering turnstiles of the type used at the Centennial Exposition will be installed at the main entrance to the rodeo arena and a new fence will be built on that side of the show area.

This year's improvements, along with the superior lighting system installed last season, gives the Cowboy Reunion probably the finest outdoor arena in the United States.

In the chuck wagon area, a steel-towered Dempster windmill will lend ranch atmosphere. The mill will be near the east shore of the lake which has been filled with sparkling water by abundant rains this spring.—The Publicity Chairman.

COWBOY BUNKHOUSE WILL BE COMPLETED

STAMFORD, May 23.—After several years of delay a dream of old-time Texas cowhands is being realized in the completion of the cowboy bunkhouse at the Texas Cowboy Reunion grounds at Stamford. Construction already is under way and the unique building will be finished before the ninth annual reunion on

July 4, 5 and 6.

Part of the funds for the contract costing around \$5,000 already are on hand. More is in sight and it is hoped to complete the final amount through an auction sale of registered Hereford bulls which will be held following the afternoon rodeo performance on July 5. Four bulls have been donated for the sale by prominent West Texas cattlemen and it is expected that others will be given before the date of the sale. Entire proceeds of the sale will go to the building fund. Bulls have been donated thus far by John Gist of Odessa; Jack Frost, Sweetwater; the Arledge Stock Farms, Seymour, and A. J. Swenson, Stamford.

The bunkhouse is the property of the Texas Cowboy Reunion Association which has a membership of 1,600 pioneer cowboys who saw service on the ranches 35 or more

years ago. The present part of the building was erected in 1934 but funds have not been available to complete it. It is now being finished along the design originally drawn by the architect through the addition of east and west wings to the central part of the structure. Floor space will be increased by 2,000 feet, more than doubling the present size. Part of concrete terrace of the present building will be roofed and wood floor laid over the concrete.

The new part of the building will be of rock veneer, blending with the older part. Scores of cattle brands are carved in the stones of the older part of the building, a feature which makes the bunkhouse unique. The brands were carved in appreciation of original donations made to the building fund, each person giving \$15 being entitled to a brand. Addi-

tional brands will be carved for persons making donations of that amount.

Besides serving as headquarters for the oldtime cowboys, the bunkhouse is the scene of the cow square dances held each night during the reunion. Income from the dances this year is expected to \$500 to the building fund.
